

# PBR-Panel PBR-Panel PBR-Panel

## THROUGH FASTENED METAL ROOFING SYSTEM

**true**<sup>TM</sup>  
METAL SUPPLY

metal roofing  
made easy<sup>®</sup>

Choose from  
a variety of  
stock color  
options.

### THIS AIN'T YOUR GRANDPA'S TIN

Perfect for commercial, industrial, agricultural, and residential applications, PBR-Panel features a robust ribbed design that ensures exceptional strength and durability. Its innovative Purlin Bearing Rib (PBR) construction enhances load-bearing capacity and guarantees a tight overlap, offering superior protection against the elements.

This panel can also be used for both roofing & siding needs. Choose PBR-Panel for a reliable, stylish, and easy-to-install option that stands the test of time.
